

AVIJIT ROY

Full-Stack Web & System Developer

Dhaka, Bangladesh | aviroy2005@gmail.com | www.avijitport.vercel.app | +88 01518-484630

Passionate Computer Science & Engineering student from Bangladesh with hands-on experience in full-stack web development, mobile application development, and systems programming. Demonstrated ability to independently design and build complete, functional applications — from browser-based utility tools to interactive games. Eager to apply technical skills in a professional software development environment.

AREA OF EXPERTISE

Frontend Web
Development

Utility Application
Development

Algorithmic Problem Solving
Multi-language Programming
(JS, Python, C/C++, Dart)
